

# The 100 Club Needs Your Support!

The 100 Club has been running for many years and is used to help bring in extra income to the club. In recent years we have lost some members. If you look at the membership of the 100 Club most will remember the original pavilion, before it was extended with bigger changing rooms and showers. The 100 Club was formed to help finance that extension.

Since then the club has moved forward on and off the field, but since those days bar takings are down and this year, for the first time in a while, subs have had to go up. I think we can all be proud of our club. The committees over the years have never squandered member's money and every penny has gone into making our club have some of the best facilities in the league.

We want to continue our success and with your help we can. The 100 Club is just £5 a month with three prizes. £80 as the top prize, £40 for second and £20 for third. Below is a joining form, just drop into your bank and you will become a member. No draws will take place until the Dinner and Dance and so you will not miss out. Join now and help Reed Cricket Club continue to the success it has enjoyed over the years.

Best wishes,

Michael 'Baz' Curtis (100 Club Organiser)
